The Holy Father's Prayer Intentions for August 2019

Universal: That families, through their life of prayer and love, become ever more clearly “schools of true human growth”.

ARCHBISHOP'S MESSAGE

Service to the Nation

01. Service to our Country, India

On Thursday, 15th August 2019, we celebrate the **72nd anniversary** of the Independence of our country India. On the same day we the Catholics, celebrate the solemnity of the Assumption of the Most Blessed Virgin Mary. Thus, we the Catholics in India doubly rejoice by this double celebrations. As Indians we are one with all the Indians in our country; as Catholics we are one with all the Catholics in the world.

The Church in India is at the service of our **country India**. We run a big number of **educational institutions**, which are known for high standard, good discipline and good infra-structures. We run our schools and colleges in an excellent and efficient manner. Through our **hospitals** and other health care centres, we take care of the health of the people. The sick who come to our hospitals, regain their health in the body and also joy and peace in their heart and mind. They experience

the healing presence and touch of our Lord Jesus who came into the world to touch all human persons may have life in abundance (Jn. 10:10). Through our **social services** and development activities we build up our country. Through our educational services, health care services and social services, we make a great contribution to the development of our country India.

Today our country is facing a lot of difficulties, challenges and problems:-

- ❖ Threat to the secular character of our country.
- ❖ Threat to the Rights of the minorities.
- ❖ Discrimination at various levels.
- ❖ Neglect of the welfare of farmers.
- ❖ Exploitation of women, the poor, the marginalized.
- ❖ Abuse of the children, the vulnerable youth.
- ❖ Value-based education of the youth.
- ❖ Poverty and hunger.
- ❖ Illiteracy.
- ❖ Unemployment, under employment.
- ❖ Religious disharmony.
- ❖ Neglect of the safety and dignity of the workers.
- ❖ Widening gap of the rich and the poor.
- ❖ Exploitation of natural resources.
- ❖ Disappearance of forest areas and fertile lands.
- ❖ Water scarcity.

The better thing we can do for our country is **to pray** for our country; for our leaders and for our people. "I urge that supplications, prayers, intercessions and thanksgiving be made for all men, for kings and all who are in high positions that we may lead a quiet and peaceable life, Godly and respectful in every way" (1 Tim. 2:1-2). Prayer has a **power** to enlighten the minds of our political leaders, social leaders, community leaders so that they could make right decisions and work sincerely for the common good of all the people in our country.

It is a reality that day by day the gap between the rich and the poor is widening. The rich become richer and the poor become poorer. Let us remember the poor (cf. Gal. 2:10) in our country in a special way. Let us share our resources with them generously so that they may have a dignified human life. Through our services and charitable activities, let us try to reduce poverty in our country.

Education is liberation; education is power; education is empowerment. When we educate a boy, we educate a man; but when we educate a girl, we educate a family. Through our educational services at various levels, let us try to eradicate illiteracy in our country and empower the poor and the marginalized.

The greatest service that we can do for our brothers and sisters in India is to share with them the **joy of the gospel**. People in India are eager to listen to the gospel. Are we equally eager and willing to proclaim the gospel? with Mary and like Mary, our beloved Mother, let us carry the Lord Jesus to the

heart of India and bring India to the feet of Christ. On 15th August, let us all pray in a special way for our country, India.

Oh Mary, gloriously assumed into heaven, pray for our country, India.

02. Communio India Sunday

As already communicated to you, from this year the **Communio India Sunday** in our Archdiocese will be celebrated on the **FIRST SUNDAY of August (4th August 2019)**. Parish Priests are kindly requested to exhort the faithful to pray for the mission and to contribute generously for the pastoral and missionary needs of the Dioceses in India. Parish Priests are earnestly requested to **send the collection** made on **Communio India Sunday** to the Procure Office as soon as possible.

03. Youth Sunday

The First Sunday of August (04-08-2019) is observed as **Youth Sunday** in **Tamil Nadu** and **Pondicherry**. On that day let us pray for our youth in a special way.

04. Prison Ministry Sunday

The Second Sunday of August (11-08-2019) is celebrated as Prison Ministry Sunday in India. On that day let us pray in a special way for all the prisoners and for their families

in our country. Jesus has come into the world “to proclaim release to the captives” (Lk. 4:16).

05. Mourning Day

The Presidential Order, signed on 10th August 1950, discriminates the Dalit Christians and Dalit Muslims on the basis of religion. Hence, **10th August 2019** is observed as **Mourning Day**. Fr. A. Arputharaj, the SC/ST Commission Secretary of our Archdiocese is organizing a protest meeting on Saturday 10th August 2019 at Villupuram to demand SC status for Dalit Christians and Dalit Muslims. Let us all pray for the success of this meeting.

6. Annual Retreat

The Annual Retreat for the priests of the **Second Batch** (*List given at the end of this News Letter*) will take place from **23rd Monday to 27th Friday, September 2019** at the Archbishop’s House, Pondicherry. If you, for some valid reason, are not able to participate in this retreat you should get my written permission for your absence and inform Rev. Fr. Procurator. Making annual retreat is a serious obligation of the clergy (Can. 276/4). Hence, you are to make your own arrangements for your annual retreat, if you do not join the diocesan retreat.

7. Feast Wishes

On 4th of August we celebrate the Feast of St. John Maria Vianney, Patron of Priests. On this occasion I offer my heartfelt feast wishes and prayers to all priests of our diocese. Let us try to imitate the simple and humble life of St. John Maria Vianney.

Fr. A. Kulandai yesu Raja
Secretary to the Archbishop

Rev. Fr. J.M. Gregory Louis Joseph
Procurator

From the Desk of Vicars

God is blessing our Archdiocese with the presence of our beloved Archbishop with the clergy, the religious and Christ's faithful. Fr. Philo is helping for the forthcoming Synod 1844 – 2019. It would be a better resolution to have once in five years the diocesan Synod so that the Local Church grows in faith, witness and service. To keep the Local Church vibrant and dynamic the Synod is a must as the religious congregations have their chapter meetings.

We have our healthy tradition in addition to canon law, the pastoral council, finance committee and recollection which will keep us very much alive. By definition and presence there is not one man army in the church but we need to consult in all matters that affect the people, the parish and the diocese. The clergy and the religious are at the service of the people and not so much as powerful persons as it is in a secular society. Although it is difficult to build people, if our approach and intention is prudent and clear God will do the rest. Let us not presume or assume anything but verify and carry on joyfully our life and service.

Synodal Proposals

God our loving parent has been keeping alive the Christian faith, sown in Pondicherry Mission by the Missionaries in the past, is being kept up alive by the Archbishop, the clergy and the religious till today and it will continue forever, therefore let us praise the Lord and thank the Lord and all with Jesus Christ. In the month of October

2019 we will gather for the celebration of the Synod. The following proposals are offered to all and if it is God's will and plan, let us carry it out joyfully, generously and freely.

01. The Christian faith needs to be deepened towards the spirit of the Risen Lord, so that the Local Church does not linger in body level with caste, gender, power, position, money and help.

02. As the disciples of the Risen Lord the following three words are to be common to all, first and second is the identity of God's image and disciple of Jesus that is human and Christian and the third the mission through married and consecrated life and service.

03. Every parish and the institution should have a corpus fund for the future and the present a minimum amount of three lakhs and more according to the number of Christ's faithful at present.

04. Every parish and institution should have the pastoral council and the financial committee formed and approved by the people, the clergy and recognized by the Local Ordinary and all will have to follow it otherwise proper action will be taken.

05. Once in five years the Archdiocese should have a Synod as the religious have chapter meetings, dialogue, discern, decide the course of being and doing for all and monitored by the Vicar Forane and the Curia and the Pastoral Director. Human nature left to itself will not move or change or grow, therefore these legal structures need to be alive and active moved by the spirit of the Risen Lord.

06. The human welfare commission will take care of education, social service and health care by the person in charge of the departments (DOS, Higher Education Team, PMSSS, SAMSSS, Procurator for Health).

07. The Christian welfare commission for the animation and guidance for liturgy, catechetics and bible.

08. No need to have too many commissions for the sake of the files and report to others but have the human and Christian commissions with two full time Priests with financial and other support systems.

09. Let all who are to contribute to the News Letter contribute in one or two pages and not too much of articles so that the News Letter makes an impact in the Archdiocese.

10. Diocesan Pastoral Council meet, not so much for once in a year but atleast three times per year we need to have for a vibrant diocese.

11. As diocesan Priests let us not become one man army but really ecclesial, otherwise one person cannot be a church for "Where two or three are gathered, there I am". Let us follow both the spirit and letter of the Canon law. Let us always be concerned about our brother Priests. Let us not leave anyone alone to get into unwanted and unhealthy life.

It is easy to be kind and compassionate but at the same time if we are not firm to stand by gospel values, then we are not that faithful to the Risen Lord. There is no need of this psychological game "you don't touch me and I don't touch you" play it safe. Let us suffer for Jesus Christ and not use Jesus for our well-being. If what is written is the voice of Jesus let us accept and follow or if it is one's opinion you can ignore. Those who have got ears to hear, let them hear.

**“THE FAMILY THAT PRAYS TOGETHER STAYS TOGETHER.
A WORLD AT PRAYER IS A WORLD AT PEACE”**

Legends are not born. They are the product of one's heroism and compassion to do good. Between the birth and death are countless struggles and little victories that define his life and mission. Legends withstand the test of historical oblivion because their stories are wanting to be retold and retold until it becomes part of every generation. Once legends are made, they are permanently imprinted in society's memory. The legend of a lanky but soft spoken Irish priest who imprisoned the hearts of families around the world through his devotion to the rosary is a story that needs to be retold. We may forget the man but we will never forget what he stood for.

Today, the phrases, “The family that prays together stays together. A world at prayer is a world at peace” has a ring of familiarity. We have seen playful evolution of this catch - phrase – some commercialized, some ideologize. Even generations unfamiliar with the origin understand what these words stand for. These are the words that summarize who this Irish priest was and will be for the next generation. Time may come when the world no longer recognizes his face or name. Yet, this phrase will remain because they stood for concepts held dear across time.

He stood for family unity. Throughout his life, he emphasized the value of family. Amidst the horrors of the 2nd World War and the social decay caused by materialism, he saw restoration through values. And the values, he correctly pointed out, are born and honed in the family. In his home in the little town in County Mayo, Ireland, he learned values. He experienced what it is to love, to serve, be a man... to be human. He saw how the relationship his parents built in their home became the formidable shield against the challenges of life. Concern prevailed when they had to share one potato among his parents and 8 siblings back in their humble home in Ireland. Courage was strong when he had to leave his country to work in America to support his family. Humility – was his foundation when he had to work as a janitor. And all these virtues, he attributes to what his family taught him.

He stood for the power of prayer. He turned to prayer when he was struck with tuberculosis that almost cost his dream to become a priest. He relied on prayer when big networks refused give him free airtime. He depended on prayer to touch the hearts of Hollywood celebrities so they would support his cause. And his trust in prayer was so infectious because it was a prayer through the Blessed Mother with the family rosary, a combination that will surely capture a devotee’s soul. And he did not only capture one soul with this formula, he captured

millions and millions worldwide. He held rosary rallies attended by tens of thousands amidst the scorching sun or pouring rain. No matter where or when, people flocked to hear him talk about the power of prayer, the love of the Blessed Mother and the beauty of the rosary.

He stood for perseverance in serving God. He spoke in dozens of rallies across the world. He produced hundreds of programs about the life of Christ and the mysteries of the rosary. He was a face familiar in silver screen and television for more than 4 decades. He never had the money to support all these endeavors. He only had unwavering faith and complete trust. He was untiring and resolute that his mission would be realized. He was not the end, just the means. And so he left no stone unturned to complete the Lord’s plans. He approached people fearlessly. He enlisted supporters with certainty. Not the lack of funding nor declining health could make him slow down for a while. Every breathing minute was a breathe for the Lord. Fr. Peyton has gained countless friends and supporters. These people worked with him. They talked and listened to him. They shared time with him. And they immediately recognized the sincerity of his heart. They felt his commitment and there was no way of not being drawn to the same commitment.

However, if his life and work ended with people who met him, his legacy would be short-lived. His work surpassed his life. His mission was beyond people who knew and met him. Legends need to outlive the present. Legends transcend the future. There are many, like me who never met Fr. Peyton yet continue to keep his mission alive. It is easy. It is relevant. Persevere for family unity through prayer. There is so much honesty and connection in this mission that generations will always see this as their own cause.

There are also others who have never heard of Fr. Peyton, yet take up his message and mission as their own, their own words and

programs, but the very same goal. Fr. Peyton stood for something as timeless as time itself. His mission is this world's goal and the church's purpose. We need not know Fr. Peyton, but we cannot not recognize what he stood for.

This is the legend of an Irish priest who exerted every effort to make real the words: "The family that prays together stays together. A world at prayer is a world at peace." Dear Respected Parish Priests:

May I bring your attention once again. You have great concern over your parishioners and appreciated very much. Kindly look into the marital issues of the families more in depth before you refer the tribunal. When a marriage is valid, lawful and lived for long i.e. ratified and consummated (canon.1141, 1983 code), do not send the petitioner to the tribunal. Your letter as parish priest is valued and must carry the content of your involvement in solving the issues and reconciliation. It must also give a possible ground according to Canon Law to accept the petition in the tribunal. Thank you for your good cooperation. (ref: News Letter: November 2018, VMMT-97).

Points to Ponder:

- There is only one difference between Dream and Aim. Dream requires effortless sleep and Aim requires sleepless efforts. Sleep for Dreams and wake up for Aim!!!- S w a m i Vivekananda.
- "Democracy must be built through open societies that share information. When there is information, there is enlightenment. When there is debate, there are solutions. When there is no sharing of power, no rule of law, no accountability, there is

abuse, corruption, subjugation and indignation."

- Atifete Jahjaga

- The only way to do great work is to love what you do. If you haven't found it Yet. Keep looking. Don't settle."

For your kind information: I will be away from the tribunal office for two months till end of September 2019. The tribunal is closed in August and September and please do not send any one to the tribunal office during that time. Thanking you.

The Constitution (Scheduled Caste) order 1950 was signed on 10th August 1950 by the then President of India which says that “No person who professes a religion other than Hinduism shall be deemed to be a member of the Scheduled Caste” which was later amended to include Sikhs (1956) and Buddhists (1990) in the Scheduled caste net.

Civil Writ petition 180/2004 in the Honourable Supreme Court of India praying the deletion of paragraph 3 of the Constitution (Scheduled Caste) order 1950 is still pending for the past 13 years in which the CBCI and NCCI have also impleaded. The case had been referred to a higher bench and still it has not been constituted. Thus Constitutional rights for Dalit Christians and Dalit Muslims are denied based on religion for the past 69 years.

To express our dissatisfaction about this ‘Constitution Scheduled Caste order 1950 para 3 which is ‘unconstitutional and it is a black letter written outside the Constitution introduced through the back door by an executive order (NCRLM Report). Meetings, rallies, demonstrations, hunger strike, submitting memoranda, candle vigils and other forms of demonstrations can be also organized in your area to show support and solidarity to the suffering Christians of Scheduled Caste Origin.
